

QuickScreen /Prescreen

QuickScreen is a dealer-initiated **soft-pull solution** that does *not* require a customer's permission, SSN or DOB and does not affect their credit score. QuickScreen is seamlessly integrated with the IDS platform, so it is easy to access & easy to pull.

- Having visibility upfront into your customer's credit profile before you work a deal, helps to work the deal correctly and eliminate customer friction.
- QuickScreen empowers you to provide the customer with a more accurate payment estimate based on the car they are interested in.
- Knowing the customer's current car payment enables your team to have more meaningful budget conversations with the client.

Prescreen results include:

- » FICO Score
- » Summary of Auto Trade Lines Including:
 - Remaining Balance/Payoff
 - Current Monthly Payments
 - Lease or Loan
 - Current Auto Loan Interest Rates
 - Payment History
 - Months Remaining on Loans

Expand your sales floor to other areas of your dealership
