

VinSolutions - Credit & Compliance Integration

VIN Solutions has partnered with 700Credit, to provide integrated credit reports and compliance solutions in the Customer Dashboard.

700Credit has partnered with VIN Solutions to provide the best credit, compliance and prescreen solutions on the market today. Through this integration, VIN Solution's dealers have access to Experian, Equifax and TransUnion credit reports and a fully automated compliance solution.

700Credit's integration with the Customer Dashboard is transparent, fitting seamlessly with your daily workflow.

Our Credit Reports include:

- Dealer's choice of report format
- Score Summary Dashboard
- FICO Score
- 700Credit Summary
- Auto Summary

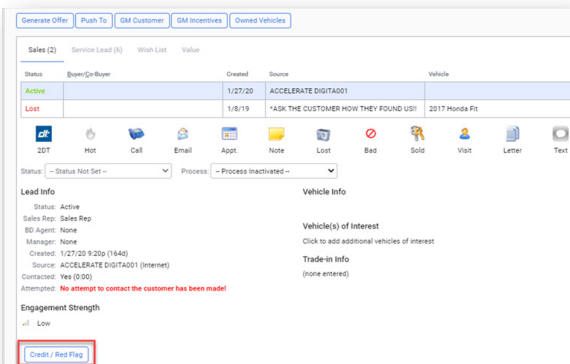

Compliance Solutions

Our Compliance Dashboard enables dealers to stay on top of and manage credit reporting and compliance from one single view. Compliance data tracked includes:

- Red Flag Alert Status
- OFAC Compliance
- Adverse Action Letters
- Risk Based Pricing Notices
- Out of Wallet Program Monitor

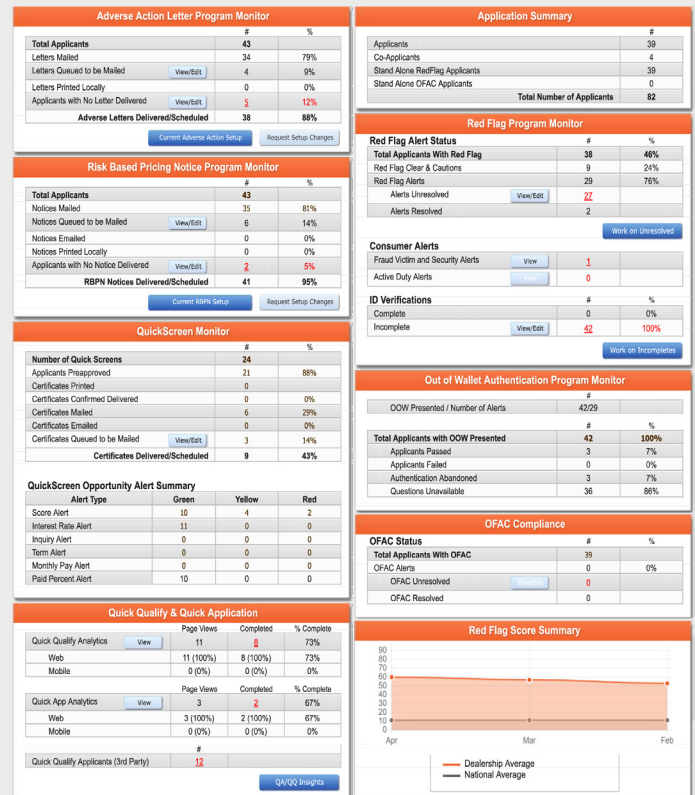

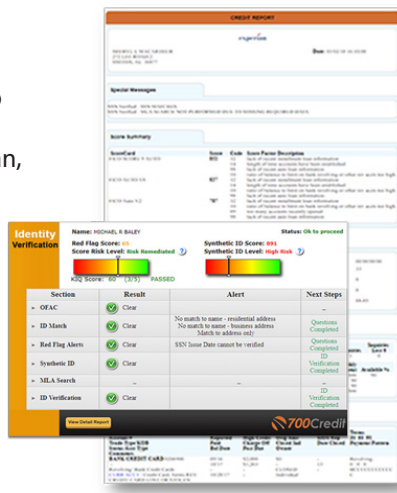

Lead Summaries for:

- QuickQualify
- QuickApplication
- QuickScreen
- QuickScore
- QuickQualify Xpress

How Dealers Benefit from Integration with 700Credit

- » Fast, convenient access to all three credit bureaus – Experian, Equifax, TransUnion
- » Applicant history is stored on our servers and is available for retrieval indefinitely
- » 24/7 Support
