Set Up to Pull Credit Reports

Login to your dealr.cloud platform.

Go to **"Manage"** > **"Settings"** > **"General"** > **"Credit Reports"**.

Check **"Enable 700Credit Credit Reports"**. Enter in the username provided by 700Credit.

To enter the password, check the **"Update Password"** box and enter the password provided by 700Credit.

Finally, make sure that **"Save"** is clicked in the bottom right-hand corner of the setting screen.

How to Pull Credit

Select **"Deals"** > **"Deals"** menu item.

Enter into a deal and select the **"Customers"** tab.

From the “**Customers**” tab, scroll down.

The credit report panel is on the right-hand side below the SSN.

In order to run credit, the dealer must first enter the consumer’s SSN, as shown to the right.

Once the SSN has been entered, click **“Run Credit”** in the panel and select the reports you want to run.

Click **“Run”**.

The screenshot shows a web interface with a header bar. Below the header, there is a section titled "CREDIT REPORTS" with a purple button labeled "Run Credit". A modal window titled "Run Credit Report" is open in the center. It contains four checkboxes: "EXPERIAN" (checked), "EQUIFAX" (checked), "TRANSUNION" (checked), and "BYPASS DUPLICATES" (unchecked). At the bottom of the modal are two buttons: "Cancel" and "Run".

The system will then pop up a window asking for your credentials. A valid password is required for every credit pull. Enter your dealr.cloud login credentials and click **“Run”**.

Select **“Ok”** when the window asks if you are sure you want to run credit.

The screenshot shows the "Run Credit Report" modal window with a sign-in form. The form has a "Sign in" label, a "LOGIN" field with the text "forrestmittleton", and a "PASSWORD" field with the text "Credentials". At the bottom of the form are two buttons: "Run Credit Report" and "Cancel".

Summary scores show up in the window.

To view the 700Credit credit report, scroll to the bottom of the summary and click **“View Credit Report”**. It will prompt for a password and bring up the credit report after running.

To access reports again at a later time, go to **“Credit Report Panel”** and click **“View Report”**.

Red flags panel is below the Credit Report and OFAC check panel on the right side.

To run, click **“Run Red Flag Check”**.

Password prompt for security purposes, and then the RF check from 700Credit pops up in a window.

To access again, go to the red flag panel and click **“View Check”**. Password prompt and then previous RF check will be shown.

The image displays the 700Credit website on two devices: a desktop monitor and a smartphone. The desktop screen shows the 'Insight Score® for Auto' section, which highlights the FICO Score and credit report. The smartphone screen shows the 'Add the No. 1 Call-to-Action to Your Website' section, featuring a 'Get' button. Both screens show the 700Credit logo and navigation links like 'DEALER PORTAL' and 'Sign In'.

The screenshot displays the 700Credit.com interface. On the left, a navigation menu includes links for 'Applicant List', 'Name Applicant', 'Compliance', 'Usage Statistics', and 'Administration'. The main content area shows a credit report for 'JANE AARGEN'. The report header includes the name, DOB (11/11/1950), SSN (000-00-1234), Date (01/02/20), and other details. Below this, sections for 'PREVIOUS ADDRESSES', 'EMPLOYMENT', and 'CREDIT SUMMARY' are visible. The 'CREDIT SUMMARY' section provides a detailed breakdown of credit scores, credit history, and other financial metrics. A red arrow points from the text 'First, Last Name' to the name 'JANE AARGEN' in the report header.

Compliance Dashboard

Our Compliance Dashboard closely monitors your efforts to ensure compliance processes are being followed. Issues of concern are highlighted in red for quick identification. We support both single and multi-roof views, ensuring you have your finger on the pulse of every compliance aspect in your business.

Items supported on the dashboard include:

- Adverse Action Notices
- Risk-based Pricing Notices
- OFAC Search, Red Flag ID & Privacy Notices
- Out of Wallet Questions
- Our Compliance Dashboard also collects lead forms from our Credit Reporting and Soft Pull products.

Lead Summaries for:

- QuickQualify
- QuickApplication
- QuickScreen
- QuickScore
- QuickQualify Xpress

How You Benefit

- Ensure compliance processes are being followed.
- Identify immediately when/where you are out of compliance.
- Easily print audit reports.
- Single and multi-point rooftop views.
